PROFESSIONAL SUMMARY

A highly motivated and results-oriented recent graduate with a BSc in Computer Science from Africa University, possessing practical experience in database implementation and a strong foundation in object-oriented programming and software engineering principles. My internship at Econet, where I implemented a database for EcoPay, solidified my skills in Java development. I am seeking a challenging entry-level software engineering role to leverage my technical abilities and contribute to innovative projects.

EDUCATION

Africa University

Bsc Computer Science | 2018-2022

OOP, Software engineering

WORK EXPERIENCE

Econet

Software engineer intern | Jan 2020 - Feb 2020

Implemented db for ecopay

SKILLS

Java
